

Week 1 – Suffixes –s and –es

Progression

-s and -es	-ing	-ed
-er	-est	un-

Objectives

Teach Plurals

Teach the meaning of plurals. Practise changing words to plural form by adding suffixes **-s** and **-es**.

Begin with word examples where no change is needed to the spelling of the root word. Once children are secure with adding a suffix with no spelling changes teach what happens when adding a plural suffix to words ending in **h/sh/tch**.

Extension - teach how to add plural suffixes to nouns ending in **y** (drop **y**, add **i** then add **es**).

Further extension - teach irregular spelling patterns for singular words changing to plural form, with words like **sheep / sheep**, **fish / fish**, **man / men**, **foot / feet**, **child / children**.

Verbs (present tense - third person singular)

Teach the meaning of verbs.

Explain the spelling rules for adding **-s** or **-es** when changing a verb from first person singular to third person singular (e.g. **I walk / he walks**, **I run / she runs**).

Extension - teach how to add suffixes to verbs ending in **y** (drop **y**, add **i** then add **es** e.g. **I carry / he carries**).

Further extension - teach irregular spelling patterns for third person present (e.g. **I am / she is**, **I have / he has**).

Practise reading and spelling Common Exception Words (tricky words) previously taught.
