

Week 3 – Suffix -ed

Progression

-s and -es	-ing	-ed
-er	-est	un-

Objectives

Teach Verbs - Past Tense

Explain what past tense means, and that when we talk in the past we use a different tense and the verb changes by adding the suffix **-ed**.

E.g. I skip home / I skipped home, I look at the book / I looked at the book.

Practise converting text from present-simple to past tense using suffix **-ed**.

Compare word examples ending with suffix **-ed** and the different sounds they can make. Explore how sometimes the **-ed** suffix makes one phoneme but sometimes it makes another (e.g. jumped = /t/ or wanted = /d/).

Explain that despite this not all words that end in the /t/ sound are past tense (e.g. soft alert melt). The suffix **-ed** phoneme sound at the end of the word can be different depending on the neighbouring letters.

Extension - teach adding suffix **-ed** to short vowel root words (double final consonant), verbs ending in **e** (drop **e**, add **-ed**) and verbs ending in **y** (change **y** to **i** and add **-ed**).

Further extension - teach irregular spelling patterns for past tense verbs (e.g. know / knew, find / found, see / saw, run / ran).

Practise reading and spelling Common Exception Words (tricky words) previously taught.

Terminology

Suffix - a letter or group of letters placed at the end of a word to make a new word.

Root Word - a word that forms the basis of new words though the addition of prefixes and suffixes.

Syllable - a unit of pronunciation that has one vowel sound with or without surrounding consonants.

Noun - a noun is the name for an object or set of objects, such as a thing, a person, an animal, a place, a quality, an idea or an action.

Verb - a verb is a doing word used to describe an action.

Assessment

Be able to add suffix **-ed** to root words where no spelling change is needed.

Be able to remove suffix **-ed** from words to form the root word.

Understand there are spelling rules for adding suffixes depending on the final letters of the root word and that some follow irregular patterns.

Read and spell phonically decodable two syllable and three syllable words.

Read and spell previously learnt Common Exception Words.
