

un- prefix (*adjective*)

Lesson 1

Week 1 - Monday

Objective

Learn and practise **un-** prefix.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Teach prefix **un-** meaning 'not', for example '**unhappy**' meaning not happy.
Share the following words as examples and ask the children what they have in common; **unhappy unkind unwell**.
They are all adjectives with the prefix **un-** added to them, and so the meaning is reversed / opposite.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **unhappy unfair** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word from normal to opposite using **un-** prefix.
- Build the word **unwell** with letters. Model writing the word.
