

Plural Exceptions

Week 1 – Wednesday Lesson 3

Objective

Learn and practise plural exceptions (e.g. children).

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- **Adding plurals** - Teach children that some words change altogether when they are in plural form, for example: **one child / two children, one person / two people.**
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **one child / two children** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build a word from singular to plural.
- Build the word **children** with letters. Model writing the word.

Practise 10mins

Segmenting for Spelling

Practise changing words from singular to plural using a phoneme frame and discuss the difference in pronunciation.

Share images and have children spell out the words in singular and plural form.

one person / two people, one elf / two elves, one mouse / two mice, one tooth / two teeth, one leaf / two leaves

Apply 5mins

Blending for Reading

Practise reading the following sentences using plurals as well as Common Exception Words.

The mouse ran up the clock and the other mice ran across the hay.

One elf has a red coat and the other two elves have green coats.

Magnetic Letters
