Revise

Teach 10mins

- Teach the -y suffix. Investigate what happens to the spelling of a noun ending in 'e' when adding suffix -y. When a word ends in an 'e', remove the 'e' and add -y to make it an adjective. For example; shiny greasy icy.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards easy noisy to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word from a noun to an adjective using suffix -y.
- Build the word greasy with letters. Model writing the word.
