

Objective

Learn and practise suffix **-ly**.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Teach the **-ly** suffix. Investigate what happens when suffix **-ly** is added to a root word ending in 'ic'. The letters 'al' are added before the suffix **-ly** is.
For example; **magically comically basically**.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **logically tragically** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build a word into an adverb using suffix **-ly**.
- Build the word **magically** with letters. Model writing the word.

Segmenting for Spelling - Write a Sentence

Children write their own sentence using a word containing suffix **-ly**, either on whiteboards or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure. Optional to provide visual aid or put selection of root words on whiteboard / IWB to help them start sentences.

E.g. The girl runs around **frantically** looking for her lost toy.
The rabbit **magically** disappeared when the man said 'Abracadabra!'.

Blending for Reading - Hands up, Pair up

Children are all given a card with a word containing suffix **-ly** learnt this week. Children walk around to clapping or music, then stop and hands up, pair up. Children read each others cards then trade and the process repeats itself a few times. Teacher and TAs must try and hear children reading and correct misconceptions or errors.
