

Objective

Learn and practise suffix -ly.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Teach the -ly suffix. Investigate what happens when suffix -ly is added to a root word ending in 'le'. The 'le' is changed to suffix -ly.
For example; gently horribly simply.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards humbly responsibly to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word from an adjective to an adverb using suffix -ly.
- Build the word simply with letters. Model writing the word.

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

Please stroke the kitten gently.

Ask the children to swap the -ly suffix adverb (E.g. miserably horribly responsibly) and discuss how it changes the meaning.
