

suffix -ness (adjective to noun)

Week 12 – Tuesday

Lesson 57

Objective

Learn and practise suffix -ness.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Teach the -ness suffix. Investigate what happens when -ness is added to an adjective. Adding the suffix turns an adjective into a noun which describes the state or condition of something. For example; sadness illness tiredness.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards sickness boldness to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word from an adjective to a noun using suffix -ness.
- Build the word tiredness with letters. Model writing the word.

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

My sadness is caused by my brother breaking my toy.

Jenny's tiredness is because of her late bedtime last night.

Practise 10mins
