

suffix -ment (verb to noun)

Lesson 61

Week 13 - Monday

Objective

Learn and practise suffix -ment.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Teach the -ment suffix. Investigate what happens when -ment is added to a verb. Adding the suffix turns a verb into a noun which describes the product or result of the verb / action. For example; movement payment entertainment.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards achievement enjoyment to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word from a verb to a noun using suffix -ment.
- Build the word payment with letters. Model writing the word.

Practise 10mins

Segmenting for Spelling

Teacher displays a verb on whiteboard or IWB. Children change the verb to a noun using the -ment suffix and spell it out either aloud or written down.

develop - development

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

The teacher spoke loudly for the morning announcement.

It was a great achievement for Luke to read five books in a week.
