

suffix -ment (spelling rules)

Week 13 – Thursday

Lesson 64

Objective

Learn and practise suffix -ment.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Revise the -ment suffix. Explain that there are a few spelling rules / exceptions that children must remember.
- Investigate what happens when -ment is added to a verb ending with a consonant followed by 'y' of words with more than 1 syllable. The 'y' is changed to an 'i' and the suffix -ment is added.
For example; merriment.
- Investigate what happens when -ment is added to a verb ending with the letter 'e'. The 'e' is removed and the suffix -ment is added. Most verbs ending in 'e' do not need to remove it, but argue is an exception to the rule.
For example; argument.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB
argument to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or show the children how to build the word from a verb to a noun using suffix -ment.
- Build the word argument with letters. Model writing the word.

Practise 10mins

Blending for Reading - Sentence Substitution
