

# suffix -less and -ful

Week 15 – Thursday

Lesson 74

## Objective

Learn and practise suffix **-less**.

## Revise

Recall all GPCs learned so far using flashcards.

## Teach 10mins

- Revise the **-ful** and **-less** suffixes. Both suffixes turn a noun into an adjective when added after the root word, but have opposite meanings and opposite results.  
For example; **powerful** / **powerless**.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **thoughtful** / **thoughtless** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build a noun into an adjective using the suffixes **-ful** and **-less**.
- Build the words **useful** / **useless** with letters. Model writing the word.

## Practise 10mins

### Blending for Reading

Display words on IWB or whiteboard to illustrate the difference between suffixes **-ful** and **-less**.

**fear** / **fearful** / **fearless**

**taste** / **tasteful** / **tasteless**

**use** / **useful** / **useless**
