

suffix -less (noun to adjective)

Week 15 - Tuesday

Lesson 72

Objective

Learn and practise suffix -less.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Revise the -less suffix. Investigate what happens when -less is added to a noun. Adding the suffix turns the noun into an adjective which describes being without / having none of the word.
For example; weightless restless harmless.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards powerless wireless to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the noun into an adjective using suffix -less.
- Build the word harmless with letters. Model writing the word.

Blending for Reading - Hands up, Pair up

Children are all given a card with a word containing suffix -less. Children walk around to clapping or music, then stop and hands up, pair up. Children read each others cards and explain the meaning, then trade and the process repeats itself a few times. Teacher and TAs must try and hear children reading and correct misconceptions or errors.
