For example; chosen driven shaken.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards driven awaken to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word into a past tense verb using suffix -en.
- Build the word broken with letters. Model writing the word.

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence. Emphasise the impact the -en suffix has on the meaning and tense of the sentence and discuss with children.

I will shake the bottle / I have shaken the bottle

We will drive to school / We have driven to school

I will choose my favourite / I have chosen my favourite
