

Objective

Learn and practise suffix -en.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Teach the -en suffix. Investigate what happens when suffix -en is added to an adjective ending in 'e'. The 'e' is removed and then suffix -en is added.
For example; **whiten widen loosen**.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **loosen worsen** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word into a verb using suffix -en.
- Build the word **widen** with letters. Model writing the word.

Blending for Reading - Sentence Substitution

Display these sentences on the whiteboard or IWB with missing words and ask the children to find the appropriate word to add from the wordbank (optional to display images for visual aid).

When my dad gets home from work he will _____ his tie.

Could you please _____ the knot?

He was so embarrassed his cheeks _____.

tighten reddened loosen
