

Objective

Learn and practise alternative pronunciation of **al**.

Revise

Recall all GPCs learned so far using flashcards.

⌚ Teach 10mins

- Teach alternative pronunciation of word-ending 'al' as /l/, and explain it contains silent letter 'a'.
- For example; **hospital** **carnival** **metal**.
- **Teach grapheme caption** 'al' annual carnival.
- **Discuss differences** 'al' contains silent letter 'a'. Silent letters are letters that you can't hear when you say the word, but are there when you write the word and help us to separate homophones.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **animal** **petal** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word **metal** with letters. Model writing the word.
