Segmenting for Spelling – Best Guess

Teacher separates board into columns, '**there**' '**they're**' and '**there**'. Teacher reads a few sentences (depending on time) and children decide which homophone the sentence uses, placing it in the corresponding column and teacher corrects as needed.

After modelling a couple times allow the children to write their own sentences on their boards or paper.

E.g. **Their dog is always barking.**

There is a pencil in my bag.

They're running late for the train!
