

Homophone – their

Week 18 – Tuesday Lesson 87

Objective

Learn and practise homophones **there** / **their** / **they're**.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Teach homophone **their**. The word '**their**' is a possessive pronoun used when referring to a thing or object that belongs to someone or multiple people, and is related by definition and spelling to words '**they**' and '**them**'. The spelling of '**their**' can be confusing with the 'e' before the 'i', so remind children it follows the same first three letters as '**they**' and '**them**'.
For example; **The blue car is their car.**
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the word on the IWB or flashcard **their** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the word (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word **their** with letters. Model writing the word.

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

The brown fluffy dog is their dog.

Walking to the library was their idea.

Practise 10mins

Segmenting for Spelling - Write a Sentence

Teacher shares an image on IWB of two children holding notebooks and orally models the sentence.

Children write the sentence either on whiteboards or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure.

E.g. The brother and sister grabbed their books.
