

Comparison – were

Week 19 – Thursday

Lesson 94

Objective

Learn and practise homophones *where* / *wear* / *we're*.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Review the word *were*. The word '*were*' is the past tense of the word '*are*'. It is not a homophone of *where* / *wear* / *we're* because the pronunciation is slightly different, instead of /air/ it is pronounced /ur/.
For example; *Yesterday we were playing.*
- Decoding** – Explain using mnemonic in Teacher Activities.
- Present the word on the IWB or flash pressing the sound buttons to make the phoneme and model merging phonemes together to blend the word (option to have a different coloured sound button for under the vowel).
- Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or show the children how to build the word *were* with letters. Model writing the word.

Practise 10mins

Blending for Reading - Sentence Substitution

Display these sentences on the whiteboard or IWB with missing words and ask the children to find the appropriate word to add from the wordbank (optional to display images for visual aid).

I want to _____ my new swimsuit to the pool.

We _____ going to go to the park but it was raining all day.

I wonder _____ my cat has gone.

I think _____ eating pasta for dinner.

where *we're* *wear* *were*

Segmenting for Spelling – Best Guess

Teacher separates board into columns, '*where*' '*wear*' and '*we're*'. Teacher reads a few sentences (depending on time) and children decide which word the sentence uses, placing it in the corresponding column and teacher corrects as needed.

After modelling a couple times allow the children to write their own sentences on their boards or paper.

Where should I meet you?

What costume will you wear for the party?

We're stuck in awful traffic.

The bees were swarming around the flowers.
