## Objectives

Learn homophones *where* / *wear* / *we're*.

Compare similar word *were*.

Read and write sentences using sounds from Phases 2 to 5.

### Learn Memory Strategies for Spelling

**Syllables** – listen to how many syllables are in a word and break it down into smaller pieces.

E.g. *September* – break the word into *Sep* / *tem* / *ber* instead of decoding individual graphemes as S-e-p-t-e-m-b-er.

**Root Words** – find the root of the word first.

E.g. *help* - the root, *helping* - root word with suffix added.

**Analogy** – are words that help to remember other similar words.

E.g. *would*, *should*, *could*.

**Mnemonics** – create a sentence to help with remembering the correct spelling of a word.

E.g. *People* - *people* eat *orange* peel like *elephants*.

Magnetic Letters and Whiteboards

## Terminology

**Noun** – a noun is a person, place or thing.

**Verb** – a word used to describe an action.

**Adjective** – a word naming an attribute to a noun, used to describe things. For example; *blue cold late*.

**Adverb** - a word that modifies a verb, adjective or other adverb and describes the way something is happening. For example; *loudly neatly nervously*.

**Prefix** – an affix placed before the root word to create a new word.

**Suffix** – an affix placed after the root word to create a new word.

**Singular** – one person, place or thing.

**Plural** – more than one person, place or thing.

**Homophones** – are words that sound the same as another word but have a different meaning, and often a different spelling.
