

Objective

Learn and practise **dis-** prefix.

Revise

Recall all GPCs learned so far using flashcards.

**Teach 10mins**

- Teach prefix **dis-** meaning 'not', for example '**dislike**' meaning to not like something.
Share the following words as examples and ask the children what they have in common; **disprove distrust disobey**
They are all words with the prefix **dis-** added to them, and so the meaning is reversed / opposite.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **dislike disconnect** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word from normal to opposite using **dis-** prefix.
- Build the word **disobey** with letters. Model writing the word.

**Practise 10mins****Blending for Reading - Read a Sentence**

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

The children dislike the rain because they cannot go outside to play.

**Apply 5mins****Segmenting for Spelling**

Teacher shares words using prefix **dis-** learnt this lesson, and children try to spell the words.

dislike disconnect disobey displease disagree
