

dis- prefix (verb)

Week 2 – Tuesday

Lesson 7

Objective

Learn and practise dis- prefix.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Revise prefix **dis-** meaning 'not', for example 'disagree' meaning to not agree.
Share the following words as examples and ask the children what they have in common; **disbelieve disown disinfect**.
They are all verbs with the prefix **dis-** added to them, and so the meaning is reversed / opposite.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **dislocate disagree** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word from normal to opposite using **dis-** prefix.
- Build the word **distrust** with letters. Model writing the word.

Practise 10mins

Blending for Reading - Countdown

Teacher has a list on whiteboard or IWB and reveals one word at a time. Children must be seen to be segmenting word and then blending to read before revealing the next word in the list. Can use a timer for fun to complete list before timer runs out!

Segmenting for Spelling - Write a Sentence

Children write a sentence using a word containing **dis-** prefix, either on whiteboards or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure. Optional to provide visual aid or put a selection of words on the whiteboard / IWB to help them start sentences.

E.g. Layla and Jess often disagree about who is the best singer.
