

Homophone – hear / here

Week 20 – Tuesday Lesson 97

Objective

Learn and practise homophones [hear](#) / [here](#).

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Teach homophone [hear](#). The word '[hear](#)' is a verb used when sound is received using your ears.
For example; [I can hear using my ear.](#)
- Teach homophone [here](#). The word '[here](#)' is used when referring to a currently held location or place.
For example; [Come over here please.](#)
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the words on the IWB or flashcards [hear here](#) to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the word (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the words [hear here](#) with letters. Model writing the words.
- **Revise Common Exception Word (tricky word) - [here](#).**

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

[I can hear the sound of seagulls near the beach.](#)

Practise 10mins

Segmenting for Spelling - Write a Sentence

Children write their own sentence using the word '[hear](#)' or '[here](#)'.

Children write the sentence either on whiteboards or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure.

E.g. "[Here I am!](#)" shouted [Fred](#) from the kitchen.
