

Homophone - week / weak

Lesson 101

Week 21 - Monday

Objective

Learn and practise homophones **week / weak**.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Teach homophone **week**. The word 'week' is a noun meaning a period of seven days; Monday, Tuesday, Wednesday, Thursday, Friday, Saturday and Sunday.
For example; **I have a big test this week on Friday.**
- Teach homophone **weak**. The word 'weak' is an adjective meaning not having much strength and able to break or give way under pressure.
For example; **After the marathon my legs feel so weak.**
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the words on the IWB or flashcards **week week** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the word (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the words **week week** with letters. Model writing the words.

Practise 10mins

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

What day of the week is it today?

My voice has been so weak after the choir practice last week.

Apply 5mins

Segmenting for Spelling - Write a Sentence

Children write their own sentence using the word 'week' or 'weak'. Children write the sentence either on whiteboards or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure.

E.g. After going to the gym I was too weak to stand.

week
