Teach 10mins

- Teach homophone **buy**. The word '**buy**' is a verb meaning to obtain something in exchange for payment.
For example; **I need to buy new socks for Winter.**
- Teach homophone **bye**. The word '**bye**' is an exclamation and is the shortened version of the word 'goodbye'.
For example; **When I go to school, I say "bye!" to my mother.**
- Teach homophone **by**. The word '**by**' is either a preposition or an adverb, depending on context. It can mean either a relative position near something, or through the medium of / using as a route.
For example; **I always walk by my neighbour's house.**
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the words on the IWB or flas
Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the word (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or show the children how to build the words **buy bye by** with letters. Model writing the words.
- **Revise Common Exception Word (tricky word) - by.**

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

I walk by the stores in the mall, and see a toy I want to buy.

Segmenting for Spelling - Write a Sentence

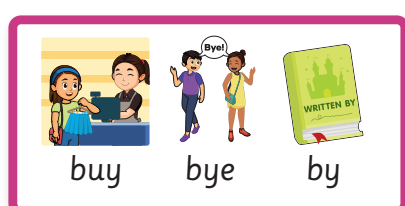

Children write their own sentence using the words '**buy**' '**bye**' or '**by**'. Children write the sentence either on whiteboards or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure.

E.g. Could you stop by the shop and buy me a newspaper?

I always feel sad saying "bye" to my family at the airport.
