

Homophone – meet / meat

Week 21 – Tuesday

Lesson 102

Objective

Learn and practise homophones **meet** / **meat**.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Teach homophone **meet**. The word '**meet**' is a verb meaning to arrange or happen to come across someone or something.
For example; **I am going to the library to meet my friend.**
- Teach homophone **meat**. The word '**meat**' is a noun meaning the parts of an animal used as food, or the core of something.
For example; **The dog likes to eat meat.**
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the words on the IWB or flashcards **meet meat** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the word (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the words **meet meat** with letters. Model writing the words.

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

"It is great to finally meet you!"

I do not eat meat because I am a vegan.

Practise 10mins

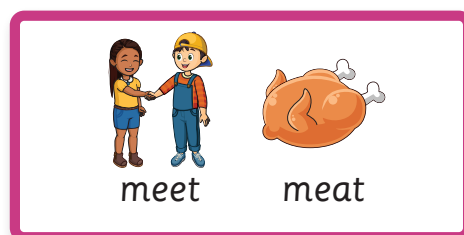

Segmenting for Spelling - Write a Sentence

Children write their own sentence using the word '**meet**' or '**meat**'.

Children write the sentence either on whiteboards or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure.

E.g. My mother put the meat in the freezer.

Apply 5mins
