

Contractions – I've let's there's

Lesson 111

Week 23 – Monday

Objective

Learn and practise contractions.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Explain to children that a contraction is a word made up of two or more words that have been put together to make a single word. When the words are combined letters need to be removed, and so in their place we put an apostrophe.

The purpose of a contraction is to replicate informal speech and the way people talk, and how we tend to shorten words for the sake of communicating information faster when we speak.

- Teach children how to read and spell these contractions;

I've – I have

For example; I've never tried eating sushi before.

let's – let us

For example; Let's go to the playground.

there's – there is

For example; On Tuesday there's a sale on books.

- Decoding** – Explain using mnemonic in Teacher Activities.
- Present the words on the IWB or flashcards I've let's to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the word (option to have a different coloured sound button for under the vowel).
- Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word there's with letters. Model writing the word, including the apostrophe.

Practise 10mins

Blending for Reading – Read a Sentence

Teacher writes one or more sentences on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

I've got to leave school on time to catch the train.

Let's go to the park for a picnic.

There's a hole in my new shoes.

Apply 5mins

Segmenting for Spelling

Teacher displays a sentence on whiteboard or IWB. Children identify where a contraction can be substituted and re-write the sentence either on whiteboards or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure.

I have just been to the supermarket.

There is a bug on the window.

Let us go or we will be late!

Other contractions

I've I'm I'd I'll let's shouldn't there's they'd they'll they're they've
