

Contractions – that's he's we're

Week 23 – Tuesday Lesson 112

Objective

Learn and practise contractions.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Remind children that a contraction is a word made up of two or more words that have been put together to make a single word. When the words are combined letters need to be removed, and so in their place we put an apostrophe.

The purpose of a contraction is to replicate informal speech and the way people talk, and how we tend to shorten words for the sake of communicating information faster when we speak.

- Teach children how to read and spell these contractions;

that's - that is

For example; **Maybe that's why the ice melted.**

he's - he is

For example; **I think he's the coolest singer.**

we're - we are

For example; **Next week we're going to the show.**

- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the words on the IWB or flashcards **that's he's** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the word (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word **we're** with letters. Model writing the word, including the apostrophe.

Practise 10mins

Blending for Reading - Take off, Touch down

Children are asked to sit in a circle and teacher gives all children a card containing a contraction they have learnt. Children must not show card. In turn each child stands up and reads aloud the card (for HA, un-contrast the word). They can take off (reach card high in the air like a rocket) and touch down by sitting down again.

Apply 5mins

Segmenting for Spelling

Teacher displays a sentence on whiteboard or IWB. Children identify where a contraction learnt this lesson can be substituted and re-write the sentence either on whiteboards or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure.

"That is enough!" said the teacher to the naughty students.

"He is going to win the race!" thought Kyle.

We are so lucky to have this weather in Spring!

Other contractions

that's that'll that'd he's he'd he'll we're we'll we'd we've weren't wouldn't won't hasn't hadn't haven't mightn't mustn't aren't
