|--------------------|------------|------|--------------|-------|-----------------------------------|-------|-----|
| un-                | dis-       | mis- | -s/es        | -ies  | -ing                              | -ed   | -er |
| -est               | -y         | -ly  | -ness        | -ment | -ful                              | -less | -en |
| -le, -el, -al, -il | homophones |      | contractions |       | dictionary work and proof reading |       |     |

## Objectives

Learn how to read and spell contractions I've let's there's that's he's we're couldn't.

Read and write sentences using sounds from Phases 2 to 5.

### Learn Memory Strategies for Spelling

**Syllables** – listen to how many syllables are in a word and break it down into smaller pieces.

E.g. **September** – break the word into **Sep** / **tem** / **ber** instead of decoding individual graphemes as S-e-p-t-e-m-b-er.

**Root Words** – find the root of the word first.

E.g. **help** - the root, **helping** - root word with suffix added.

**Analogy** – are words that help to remember other similar words.

E.g. **would**, **should**, **could**.

**Mnemonics** – create a sentence to help with remembering the correct spelling of a word.

E.g. **People** - people eat orange peel like elephants.

Common Exception Word Cards

High Frequency Word Cards (decodable)

Decodable Readers

Magnetic Letters and Whiteboards

## Terminology

**Noun** – a noun is a person, place or thing.

**Verb** – a word used to describe an action.

**Adjective** – a word naming an attribute to a noun, used to describe things. For example; **blue cold late**.

**Adverb** - a word that modifies a verb, adjective or other adverb and describes the way something is happening. For example; **loudly neatly nervously**.

**Prefix** – an affix placed before the root word to create a new word.

**Suffix** – an affix placed after the root word to create a new word.

**Singular** – one person, place or thing.

**Plural** – more than one person, place or thing.

**Homophones** – are words that sound the same as another word but have a different meaning, and often a different spelling.

**Contraction** - a shortened version of two words instead written as one word. An apostrophe takes the place of the missing letter / letters.
