

Uncountable Nouns

Week 4 – Tuesday

Lesson 17

Objective

Learn and practise plural exceptions.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- **Terminology** - Revise the meaning of the words noun, singular and plural.
- **Adding plurals** - Teach children that there are exceptions to the rule when adding plurals.
Some nouns, known as uncountable nouns, don't change at all, for example: **one sheep / two sheep, one fish / two fish.**
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **one sheep / two sheep** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word from singular to plural.
- Build the word **sheep** with letters. Model writing the word.

Practise 10mins

Blending for Reading

Practise reading the following sentences using plurals and uncountable nouns.

The two sheep were eating grass.

There are three fish swimming in the tank.

Apply 5mins

Segmenting for Spelling

Practise changing words from singular to plural using a phoneme frame and discuss the difference in pronunciation.

Share images and have children try to spell out the words in singular and plural form.

one sheep / two sheep, one fish / two fish, one deer / two deer.

Wordbank

sheep fish deer trout butter snow money
