Week 5 – Tuesday

Lesson 22

Objective

Teach 10mins

- Teach how to add the -ies suffix when changing a root word ending in 'y' to a plural. When a word has a consonant before the 'y', you remove 'y' and add -ies.
For example; one story / two stories.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards one bunny / two bunnies to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word from singular to plural.
- Build the word bunnies with letters. Model writing the word.
