Week 7 – Tuesday

Lesson 32

## Objective

Learn and practise suffix -ed.

## Revise

Recall Phase 5 Common Exception Words **today house mouse hour because Mr Mrs Ms where should could would move use want.**

## Teach 10mins

- Teach the -ed suffix. Investigate what happens to the spelling of a root word with a short vowel followed by a consonant when adding -ed. The consonant is doubled and suffix -ed is added. For example; **I hop / I hopped, I skip / I skipped, I clap / I clapped.**
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **hopped skipped** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build the word from present to past tense.
- Build the word **clapped** with letters. Model writing the word.
