Segmenting for Spelling - Write a Sentence

Teacher shares comparative adjectives ending in suffix -er learnt this lesson, and children write their own sentence using one of the words.

Children write the sentence either on whiteboards or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure.

taller shorter older colder firmer meaner louder

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence. Emphasise the impact comparative adjectives have on the meaning of the sentence and discuss with children, as well as ensuring Common Exception Words are pronounced correctly.

Josh is taller than Ben.
