

Compare g - /j/ and /g/

Week 10.2 - Thursday

Objective

Compare alternative phonemes /j/ and /g/ for grapheme 'g'.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Revise grapheme 'g' and it's ability to make phonemes /j/ or /g/.
- Discuss the difference between them; they all have different graphemes but have similar phonemes.
- Present the whole words on the IWB or flashcards **energy** **agent** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).

Practise 10mins

Blending for Reading - Which Phoneme?

Teacher displays two pictures, one on each side of the room. One with a picture of a **giraffe** (/j/), and one with a **guitar** (/g/).

Children have a mixture of /j/ and /g/ word cards containing 'g' and they read the words applying both phonemes and decide which side of the room to go to.

Segmenting for Spelling - Best Guess

Teacher separates board into two columns, /j/ and /g/. Teacher reads 4 or 6 words (depending on time) and children decide which column the words belong in. Children place/ write the word on the chosen column and teacher corrects as needed.

After modelling a couple times allow the children to spell out words on their own boards or paper.
