

Sound Family /s/ – se

Week 12 – Tuesday

Objective

Learn and practise /s/ sound family spelling patterns.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- **Revise alternative spelling of 's'**
Revise 's' words from Phase 2, Lesson 1 on the board and demonstrate how to read them: [star sock snail](#).
Teach alternative pronunciation of the digraph 'se' as 's' using words - [nurse sense horse \(/s/\)](#).
- **Teach grapheme caption**
'se' - a horse in a house.
Share images: [purse mouse seahorse](#)
- **Discuss differences** 'se' contains silent letter 'e'. Silent letters are letters that you can't hear when you say the word, but are there when you write the word and help us to separate homophones.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards [horse mouse](#) to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Use a phoneme frame to show the children how to build the word [house](#) with letters. Model writing the word.
- **Alien Word of the Day** - [fouse](#).
- **Revise Common Exception Words** - [house mouse](#).

Practise 10mins

Blending for Reading - Read a Sentence

Teacher shows an image of a mouse in a house on IWB and writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

[The mouse is in the house.](#)

Apply 5mins

Segmenting for Spelling - Stash and Flash

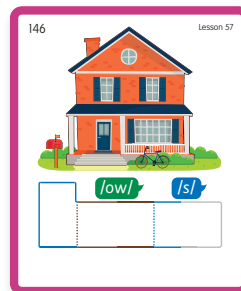

Teacher reads the following words and children write the spelling of one word on their whiteboard, and 'stash' it away from others. The teacher then says 'flash' and the children reveal their words. Teacher and TAs must correct any incorrect spellings or errors.

[horse mouse house purse sense curse verse blouse spouse](#)
