

Compare ou - /ow/ /oa/ /oo/

Week 13.2 - Thursday

Objective

Compare alternative phonemes /ow/ /oa/ and /oo/ for grapheme 'ou'.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Revise grapheme 'ou' and it's ability to make phonemes /ow/ /oa/ or /oo/ from previous lessons (Phase 5, Lesson 2, Phase 5.5, Lesson 19 and Lesson 24).
- Discuss the difference between them; they all have the same grapheme but have different phonemes.
- Present the whole words on the IWB or flashcards shout soul group to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Revise Common Exception Words** - house mouse hour though through.

Blending for Reading - Which Phoneme?

Teacher displays three pictures, one on each side of the room. One with a picture of a cloud (/ow/), one with a picture of some soup (/oo/) and one with a picture of a boulder (/oa/).

Children have a mixture of 'ou' word cards and they read the words applying the different phonemes and decide which side of the room to go to.

soup you youth cloud shout house round count mould shoulder

Practise 10mins

Segmenting for Spelling - Best Guess

Teacher separates board into three columns, /ow/ /oa/ and /oo/. Teacher reads a couple words (depending on time) and children decide which column the words belong in. Children place/ write the word on the chosen column and teacher corrects as needed. After modelling a couple times allow the children to spell out words on their own boards or paper.
