

Compare ie - /igh/ and /ee/

Week 13.2 - Wednesday

Objective

Compare alternative phonemes /igh/ and /ee/ for grapheme 'ie'.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Revise grapheme 'ie' and it's ability to make phonemes /igh/ or /ee/ from previous lessons (Phase 5, Lesson 3 and Phase 5.5, Lesson 9).
- Discuss the difference between them; they both have the same grapheme but have different phonemes.
- Present the whole words on the IWB or flashcards **shriek** **fried** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).

Blending for Reading - Which Phoneme?

Teacher displays two pictures, one on each side of the room. One with a picture of a **pie** (/igh/), and one with a picture of a **field** (/ee/). Children have a mixture of 'ie' word cards and they read the words applying both phonemes and decide which side of the room to go to.

die chief lie field pie tie grief magpie piece shield priest

Segmenting for Spelling - Best Guess

Teacher separates board into two columns, /igh/ and /ee/. Teacher reads 4 or 6 words (depending on time) and children decide which column the words belong in. Children place/ write the word on the chosen column and teacher corrects as needed.

After modelling a couple times allow the children to spell out words on their own boards or paper.

cried belief yield tried field dried brief relief tie
