

Sound Family /ar/ - al

Week 14 - Tuesday

Objective

Learn and practise /ar/ sound family spelling patterns.

Revise

Recall all GPCs learned so far using flashcards.

- **Revise alternative spelling of 'ar'**

Revise 'ar' words from Phase 3, Lesson 46 on the board and demonstrate how to read them: **tart jar March**.

Teach alternative pronunciation of 'al' as 'ar' using words - **calm calf balm (/ar/)**.

- **Teach grapheme caption**

'al' - palm balm.

Share images: **palm half almond**

- **Discuss differences** 'al' contains silent letter 'l'. Silent letters are letters that you can't hear when you say the word, but are there when you write the word and help us to separate homophones.

- **Decoding** – Explain using mnemonic in Teacher Activities.

- Present the whole words on the IWB or flashcards **palm balm** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).

- **Encoding** – Explain using mnemonic in Teacher Activities.

- Use a phoneme frame to show the children how to build the word **calf** with letters. Model writing the word.

- **Alien Word of the Day** - **nalf**.

- **Common Exception Word** - **half**.

Blending for Reading - Read a Sentence

Teacher shares an image of a calf and a cow and writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

The calf is half the size of the cow.

Segmenting for Spelling - Quickwrite

Teacher reads out a decodable word (containing the target grapheme) and the children segment the word by counting the phonemes on their fingers.

At an early level, scaffold by writing the first letters on the whiteboard and ask children to write the last letters on their own.

palm balm calf half calm almond
