Blending for Reading - Lucky Dip

Teacher writes any 'ur', 'er' or 'ir' word on the board (or piece of paper) and hides from children. Each child picks out (or is given by teacher) a card with a word from the lesson and reads aloud, continuing until each child gets a card.

At the end the teacher reveals the hidden word, and the child that has the matching word to the teacher's secret word shouts lucky dip and wins!

Segmenting for Spelling - Best Guess

Teacher separates board into three columns, 'ur', 'er' and 'ir'.

Teacher reads 4 or 6 words (depending on time) and children decide which column the words belong in. Children place/ write the word on the chosen column and teacher corrects as needed.

After modelling a couple times allow the children to spell out words on their own boards or paper.
