Teach 10mins

- Revise grapheme 'or' and its ability to make phonemes /or/ or /ur/ (refer to Phase 3, Lesson 56).
- Discuss the difference between them; they both have the same grapheme but have different phonemes.
- Present the whole words on the IWB or flashcards **torn work** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).

Blending for Reading - Which Phoneme?

Teacher displays two pictures, one on each side of the room. One with a picture of corn (/or/), and one with a picture of a **worm** (/ur/). Children have a mixture of 'or' word cards and they read the words applying both phonemes and decide which side of the room to go to.
