Segmenting for Spelling - Best Guess

Teacher separates board into two columns, 'ur' and 'or'. Teacher reads 4 or 6 words (depending on time) and children decide which column the words belong in. Children place/ write the word on the chosen column and teacher corrects as needed.

After modelling a couple times allow the children to spell out words on their own boards or paper.

surf worm turn word purse work curl worst burger

Blending for Reading - Yes or No

Teacher writes a sentence on board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

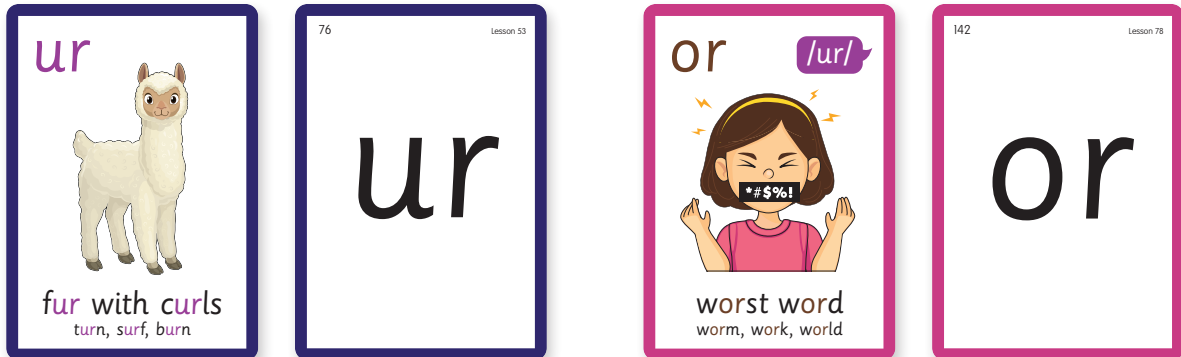

Children can respond to the sentence by writing yes or no on whiteboards or stick thumbs up or down.

Do you know a lot of words?

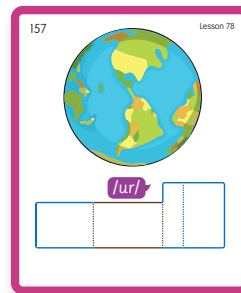

Can a worm work at a shop?

Do you worship in a church?
