Blending for Reading - Yes or No

Teacher writes a few sentences on board (dependant on time).

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.

Children can respond to the sentence by writing yes or no on whiteboards or stick thumbs up or down.

Can you find milk in the shop?

Can a child pilot a plane?

Do you mind if I turn off the lights?

Segmenting for Spelling - Stash and Flash

Teacher reads the following words and children write the spelling of one word on their whiteboard, and 'stash' it away from others. The teacher then says 'flash' and the children reveal their words. Teacher and TAs must correct any incorrect spellings or errors.
