Segmenting for Spelling - Which Grapheme?

Give all the children a flashcard to read containing a word using 'ue' or 'ew'. Get the children to read their word and discuss the grapheme used with a partner. Children read their word out to the teacher and explain which grapheme they think is used. Teacher draws two columns on the board to make lists of children's words.

duel blue untrue clue grew flew chew blew screw

Blending for Reading - Read a Sentence

Teacher writes a sentence on the board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence.
