

Sound Family /r/ – wr

Week 7.1 – Monday

Objective

Learn and practise /r/ sound family spelling patterns.

Revise

Recall all GPCs learned so far using flashcards.

- **Revise alternative spelling of 'r'**

Revise 'r' words from Phase 2, Lesson 19 on the board and demonstrate how to read them: **rat rice robot**.

Teach alternative spelling of the letter 'r' as 'wr' using words - **wry wrote wrath (/r/)**.

- **Teach grapheme caption**

'wr' - wrap the wreath.

Share images: **wrong wrap wrinkle**

- **Discuss differences** 'wr' almost always comes at the start of a word, and contains silent letter 'w'. Silent letters are letters that you can't hear when you say the word, but are there when you write the word and help us to separate homophones.

- **Decoding** – Explain using mnemonic in Teacher Activities.

- Present the whole words on the IWB or flashcards **write wreath** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).

- **Encoding** – Explain using mnemonic in Teacher Activities.

- Use a phoneme frame to show the children how to build the word **wrap** with letters. Model writing the word.

- **Alien Word of the Day** - **wrast**.

Blending for Reading - Hands up, Pair up

Children are all given a card containing a 'wr' word. Children walk around to clapping or music, then stop and hands up, pair up. Children read each others cards then trade and the process repeats itself a few times. Teacher and TAs must try and hear children reading and correct misconceptions or errors.
