

Sound Family /n/ – kn

Week 7.2 – Wednesday

Objective

Learn and practise /n/ sound family spelling patterns.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- **Revise alternative spelling of 'n'**
Revise 'n' words from Phase 2, Lesson 7 on the board and demonstrate how to read them: **net span need**.
Teach alternative spelling of the letter 'n' as 'kn' using words **knit knob knock (/n/)**.
- **Teach grapheme caption**
'kn' – the knight's knee.
Share images: **knight knot know**
- **Discuss differences** 'kn' always comes at the start of a word, and contains silent letter 'k'. Silent letters are letters that you can't hear when you say the word, but are there when you write the word and help us to separate homophones.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **knee knife** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Use a phoneme frame to show the children how to build the word **knock** with letters. Model writing the word.
- **Alien Word of the Day** - **knad**.

Practise 10mins

Blending for Reading - Take off, Touch down

Children are asked to sit in a circle and teacher gives all children a card containing a 'kn' word. Children must not show card. In turn each child stands up and reads aloud the card. They can take off (reach card high in the air like a rocket) and touch down by sitting down again.

knit knock knee know kneel knot knack knuckle knapsack

Apply 5mins

Segmenting for Spelling

Explain to children that homophones are words that sound the same as another word but have a different meaning, and often a different spelling. Practise spelling some homophone words together, writing on the board to show the difference in spellings.

knew / new

know / no

knight / night
