

Sound Family /m/ – mb

Week 7.3 – Thursday

Objective

Learn and practise /m/ sound family spelling patterns.

Revise

Recall all GPCs learned so far using flashcards.

- **Revise alternative spelling of 'm'**

Revise 'm' words from Phase 2, Lesson 8 on the board and demonstrate how to read them: **man mug milk**.

Teach alternative spelling of the letter 'm' as 'mb' using words **comb numb climb (/m/)**.

- **Teach grapheme caption**

'mb' - comb the lamb.

Share images: **climber bomb crumble**

- **Discuss differences 'mb'** almost always comes at the end of a word, and contains silent letter 'b'. Silent letters are letters that you can't hear when you say the word, but are there when you write the word and help us to separate homophones.

- **Decoding** – Explain using mnemonic in Teacher Activities.

- Present the whole words on the IWB or flashcards **lamb comb** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).

- **Encoding** – Explain using mnemonic in Teacher Activities.

- Use a phoneme frame to show the children how to build the word **thumb** with letters. Model writing the word.

- **Alien Word of the Day** - **prumb**.

- **Common Exception Word** - **climb**.

Blending for Reading - Yes or No

Teacher writes a sentence on board.

Children have to read in their head, not aloud, then teacher asks for children to support them in reading as they point to each word in the sentence. Children can respond to the sentence by writing yes or no on whiteboards or stick thumbs up or down.

Do you like lamb-chops?

Did you suck your thumb as a baby?

Can you comb your hair?

Can you climb a ladder?

Segmenting for Spelling - Rhyming Words

Teacher displays mixed up words using words from the lesson on the board, and children come up in turns and draw a line to match-up the rhyming pairs of words. This activity can also be played in a group or in teams.
