- **Discuss differences** some names begin with 'ch' and so they must be capitalised (e.g. Chris, Chloe, Christmas).
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards chemist chorus to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Use a phoneme frame to show the children how to build the word Christmas with letters. Model writing the word.
- **Common Exception Words** - Christmas school.

Blending for Reading - Reading Syllables

Review the three syllable word technical.

Break up each syllable and read aloud one part at a time.

tech / ni / cal = 3 syllables.

Allow the children to try reading words they have just read using mixed phonemes and syllables like;

Christmas Chloe schooling Christine

Segmenting for Spelling - Write a Sentence

Teacher shares an image on IWB of a boy and a girl going to school and orally models the sentence.

Children write the sentence either on whiteboard or paper. Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure.
