

Compare c - /k/ and /s/

Week 8.2 - Wednesday

Objective

Compare alternative phonemes /k/ and /s/ for grapheme 'c'.

Revise

Recall all GPCs learned so far using flashcards.

- Revise grapheme 'c' and it's ability to make phonemes /k/ or /s/.
- Discuss the difference between them; they both have the same grapheme but they make different phonemes.
- Present the whole words on the IWB or flashcards **concert school** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- Use a phoneme frame to show the children how to build the word **cent** with letters. Model writing the word.
- **Revise Common Exception Word** - **climb Christmas school.**

Teach 10mins

Blending for Reading - Which Phoneme?

Teacher displays two pictures, one on each side of the room. One with a picture of a **cow** (/k/), and one with a picture of a **city** (/s/).

Children have a mixture of /k/ and /s/ word cards containing 'c' and they read the words applying both phonemes and decide which side of the room to go to.

city celery ice pencil space corn cake cook crash cow

Practise 10mins

Segmenting for Spelling - Best Guess

Teacher separates board into two columns, /k/ and /s/. Teacher reads 4 or 6 words (depending on time) and children decide which column the words belong in. Children place/ write the word on the chosen column and teacher corrects as needed.

After modelling a couple times allow the children to spell out words on their own boards or paper.

cent face nice cat camp card curl

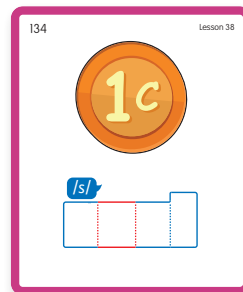

HA - Can include 'circle' as a trick word to test children, as it makes both /s/ and /k/.
