

-ing suffix (double consonant)

Lesson 7

Week 2 - Tuesday

Objective

Learn and practise suffix -ing.

Revise

Recall all GPCs learned so far using flashcards.

Teach 10mins

- Revise the -ing suffix. Investigate what happens to the spelling of a root word when adding -ing with a short vowel followed by a consonant. The consonant is doubled and suffix -ing is added.
For example; I run / I am running, I hop / I am hopping, I skip / I am skipping.
- Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards running hopping to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build a word from present-simple to present-continuous.
- Build the word skipping with letters. Model writing the word.

Practise 10mins

Blending for Reading

Practise reading the following sentences using present-continuous suffixes as well as Common Exception Words.

The boys are running to win the race.

Three children are skipping in the playground.

Apply 5mins

Segmenting for Spelling

Practise changing words from present to present-continuous using a phoneme frame or magnetic letters.

Share images of verbs and have children spell out the words in present-continuous form.

clapping skipping running hopping

Magnetic Letters

h i t t i n g n o d d a p p d g g

hitting

nodding

tapping

digging

tipping
