Week 3 – Wednesday Lesson 13

Objective

Learn and practise suffix -ed.

Teach 10mins

- Revise the -ed suffix. Investigate what happens to the spelling of a verb ending in 'y' when adding -ed. The 'y' is changed to an 'i' and then suffix -ed is added.

For example; **I try / I tried, I cry / I cried, I worry / I worried.**

- Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **tried cried** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build a word from present to past tense.
- Build the word **worried** with letters. Model writing the word.
