

Objective

Revise and practise suffix **-est** and **-er**.

Revise

Recall all GPCs learned so far using flashcards.

Recall Phase 5 Common Exception Words **today house mouse hour because Mr Mrs Ms where should could would move use want**.

Teach 10mins

- Teach superlative adjectives using the **-est** suffix.
- Revise comparative adjectives using the **-er** suffix.
For example; **fat / fatter / fattest**, **big / bigger / biggest**, **hot / hotter / hottest**.
- **Decoding** – Explain using mnemonic in Teacher Activities.
- Present the whole words on the IWB or flashcards **fattest hottest** to read. Model pressing the sound buttons to make the phoneme and model merging phonemes together to blend the words (option to have a different coloured sound button for under the vowel).
- **Encoding** – Explain using mnemonic in Teacher Activities.
- Make a phoneme frame on paper or a whiteboard / IWB to show the children how to build a word from an adjective to a comparative adjective, and then to a superlative adjective.
- Build the word **biggest** with letters. Model writing the word.

Practise 10mins

Segmenting for Spelling - Write a Sentence

Teacher shares superlative adjectives ending in **-est** learnt this lesson, and children write their own sentence using one of the words.

Children write the sentence either on whiteboard or paper.

Teacher and TAs must ensure the application of correct spelling, Common Exception Words and sentence structure.

E.g. **Tom is the quickest runner in the class.**
